

Verso Laser – Industrial Laser Cleaning Machines (CW – Continuous Wave Technology)

Continuous Wave (CW) Laser Rust Cleaning Machines – Price List

| No. | Model | Product Image | Technical Specification | Price EUR (excl. VAT) |
|-----|-------------|---|--|--------------------------|
| 1. | DC-HJ1200W |  | <p>Machine Power: 1200 W</p> <p>Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable length: 10 m (optional 15 / 20 m) Cleaning width: 5–300 mm Cleaning speed: 1 – 20 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 6 kW Suitable materials: All types of metal</p> <p>Machine dimensions: 1000 x 400 x 710 mm Package weight : 122 kg</p> | 3,260 € |
| 2. | DC-HJ1500W |  | <p>Machine Power: 1500 W</p> <p>Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable length: 10 m (optional 15 / 20 m) Cleaning width: 5–300 mm Cleaning speed: 1 – 25 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 7,5 kW Suitable materials: All types of metal</p> <p>Machine dimensions: 1000 x 400 x 710 mm Package weight : 122 kg</p> | 3,800 € |
| 3. | DC-HJ-2000W |  | <p>Machine Power: 2000 W</p> <p>Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable length: 10 m (optional 15 / 20 m) Cleaning width: 5–300 mm Cleaning speed: 1 – 30 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 10 kW Suitable materials: All types of metal</p> <p>Machine dimensions: 1000 x 400 x 710 mm Package weight : 122 kg</p> | 5,010 € |
| 4. | DC-HJ-2500W |  | <p>Machine Power: 2500 W</p> <p>Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable length: 10 m (optional 15 / 20 m) Cleaning width: 5 – 300 mm Cleaning speed: 1 – 35 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 12 kW Suitable materials: All types of metal</p> <p>Machine dimensions: 1130 x 500 x 1030 mm Package weight : 189 kg</p> | 6,020 € |
| 5. | DC-HJ-3000W |  | <p>Machine Power: 3000 W</p> <p>Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable length: 10 m (optional 15 / 20 m) Cleaning width: 5 – 300 mm Cleaning speed: 1 – 40 m² / h Gas: Compressed air filter Power supply: 380 V / 50 – 60 Hz Power consumption: 15 kW Suitable materials: All types of metal</p> <p>Machine dimensions: 1130 x 500 x 1030 mm Package weight : 189 kg</p> | 6,510 € |

Notes

Prices are listed excluding VAT.

Delivery (DDP) to the customer's site is included in the price.

Delivery time: 3 – 12 weeks, depending on the selected configuration and delivery method.

The manufacturer reserves the right to make technical changes without prior notice.
