

Verso Laser – Industrial Laser Cleaning Machines (CW – Continuous Wave Technology)				
Continuous Wave (CW) Laser Rust Cleaning Machines – Price List				
No.	Model	Product Image	Technical Specification	Price EUR (incl. VAT)
1.	DC-HJ1200W		Machine Power: 1200 W Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable lenght: 10 m (optional 15 / 20 m) Cleaning width: 5–300 mm Cleaning speed: 1 – 20 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 6 kW Suitable materials: All types of metal Machine dimensions: 1000 x 400 x 710 mm Package weight : 122 kg	€ 4,490
2.	DC-HJ1500W		Machine Power: 1500 W Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable lenght: 10 m (optional 15 / 20 m) Cleaning width: 5–300 mm Cleaning speed: 1 – 25 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 7,5 kW Suitable materials: All types of metal Machine dimensions: 1000 x 400 x 710 mm Package weight : 122 kg	€ 5,490
3.	DC-HJ-2000W		Machine Power: 2000 W Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable lenght: 10 m (optional 15 / 20 m) Cleaning width: 5–300 mm Cleaning speed: 1 – 30 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 10 kW Suitable materials: All types of metal Machine dimensions: 1000 x 400 x 710 mm Package weight : 122 kg	6,490 €
4.	DC-HJ-2500W		Machine Power: 2500 W Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable lenght: 10 m (optional 15 / 20 m) Cleaning width: 5 – 300 mm Cleaning speed: 1 – 35 m² / h Gas: Compressed air filter Power supply: 220 V / 50 – 60 Hz Power consumption: 12 kW Suitable materials: All types of metal Machine dimensions: 1130 x 500 x 1030 mm Package weight : 189 kg	€ 7,490
5.	DC-HJ-3000W		Machine Power: 3000 W Laser source: Raycus Cleaning system: Super 22 C Cooling: Water cooling – Hanli Optical fiber cable lenght: 10 m (optional 15 / 20 m) Cleaning width: 5 – 300 mm Cleaning speed: 1 – 40 m² / h Gas: Compressed air filter Power supply: 380 V / 50 – 60 Hz Power consumption: 15 kW Suitable materials: All types of metal Machine dimensions: 1130 x 500 x 1030 mm Package weight : 189 kg	€ 8,490

Notes

Prices are listed including VAT.

Delivery (DDP) to the customer’s site is included in the price.

Delivery time: 3 – 12 weeks, depending on the selected configuration and delivery method.

The manufacturer reserves the right to make technical changes without prior notice.
